

HALO Business Edition

(Available in Black & White)

A sleek, AI-powered video bar that delivers high-quality video and audio for professional business meetings.

HALO

- Ultra HD 4K video
- Wide angle 120° field of view
- AI Auto-framing
- AI Speaker-tracking
- 10x ePTZ
- 6 digital array mics
- The kit includes 1 expansion mics, but supports up to 8
- 2x powerful 10W speaker

The HALO Business Edition Kit is an ideal choice for medium to large conference rooms, featuring the high-performance HALO video bar. This kit provides Ultra HD 4K video with a wide 120° field of view, AI-driven auto-framing, speaker tracking, and 10x ePTZ zoom capabilities, ensuring every participant is clearly captured. With six integrated digital array microphones and two robust 10W speakers, it delivers exceptional, immersive audio. Additional features include an automatic privacy shutter and simple USB Plug & Play setup for a professional and hassle-free meeting experience, all supported by a 3-year warranty.

Crystal-clear video

The Boom HALO Ultra HD 4K Video Bar provides stunning 4K clarity, capturing every detail in the room. With AI-powered auto-framing and speaker tracking, it intelligently keeps active participants in focus. The wide 120° field of view ensures everyone is visible, making it ideal for medium to large conference rooms.

Exceptional audio

Equipped with six digital array microphones and two powerful 10W speakers, the HALO delivers clear, immersive audio. Advanced noise-cancellation technology ensures that only voices are picked up, creating a natural sound experience perfect for larger meeting spaces.

Effortless setup

With USB Plug & Play functionality, the HALO Business Edition Kit is easy to set up, offering a seamless, professional meeting experience. The automatic privacy shutter provides added security, and all components work together to streamline any conference room setup.

Reliable and ready

Designed for ease of use, the HALO Business Edition Kit provides a complete video conferencing solution, ensuring every meeting runs smoothly and professionally. Backed by a 3-year warranty, this kit is ready to elevate the quality of collaboration in any workspace.
