The Boom BYOM Medium Video Bar Kit is the perfect solution for medium-sized huddle rooms, conference rooms, and meeting spaces. Featuring the Boom AURA Ultra HD 4K AI-Powered Intelligent Video Bar, which integrates a camera, mic, and speakerphone, this kit provides exceptional video and audio performance for seamless conferencing. Paired with the Boom ZYGO Easy Connect BYOM Hub, it offers a straightforward, one-cable connection to any device, enabling users to set up quickly and enjoy plug-and-play functionality. Designed for medium spaces, this kit delivers professional-grade video and audio quality for every meeting.

Crystal-clear video

The Boom AURA Ultra HD 4K AI-Powered Intelligent Video Bar provides a premium visual experience with sharp 4K clarity, ensuring all participants are in view. AI-powered auto-framing adapts to the room, keeping the focus on active speakers.

Superior audio

The AURA video bar combines high-fidelity audio with built-in noise cancellation, delivering clear, natural sound. Integrated mic and speakerphone capabilities ensure that every voice is heard distinctly.

Complete connectivity

The Boom ZYGO Easy Connect BYOM Hub streamlines your setup with a single USB connection, offering compatibility with all major video conferencing platforms, including Zoom, Teams, Webex, and Google Meet.

Plug & Play. Always.

The Boom BYOM Medium Video Bar Kit makes setup effortless, offering everything you need for a professional, high-quality video and audio experience in medium-sized meeting spaces.
